

[Giovanna] [Gonzalez Rojas]

[ggrojasboost2021@gmail.com]

I want to change many people's perspective in somethings. I want to go to a four year college and get a CS bachelors. I like to code in website formats and i like to use photo editors or other editing applications.

EDUCATION:

Completed Kindergarten-senior year at San Leandro High school

Graduation Date: [2021]

EXPERIENCE:

[Girls Who Code /Student][San Leandro Library]

[2016-2017]

[it is a group of females in my hometown where we dive in coding and work in projects like women empowerment, job searches, and even a short story.]

[freshman Volleyball team/player][San Leandro High school]

[2017-2018]

[i played DS defense specialist in the freshman team. We won all our games except one.]

[government in Mexico/President][mexico]

[2020]

[I have become to be the best president.]

HONORS and AWARDS:

[Ed cerf][Woodrow wilson elementary school]

[2014]

[It was given that year to one girl and one boy. It was given to the fifth graders who did best in sports.]

[Honor rolls][John Muir middle school and Bancroft Middle school]

[2014-2017]

[It is given to students who have a 3.0 or higher GPA.]

presidential award, assigned by the president

[2014 and 2017]

[It is given to the students who got really good grades.]

SKILLS:

Sociable, able to give respect, smart, listener, calm, thinker, music, coding, photography, writing, sports, blogging
